Mr. W. A. Leuschner,
Wordl Building?
New York City.

Dear Sir:

I have just received a letter from Mr. Gottlieb with a check for Booking fees due the League from The Eagles, Grays and Elites.

He said "Bill Leuschner will compile the records of the New York Black Yanks and the Cuban Stars and send you whatever money is due on their accounts."

I did not know whether he meant me to write you or whether he had contacted you about che same. Please include Yankees fees due from last year.

I am very anxious to close the League books for the year and will appreciate an early reply.

Yours truly,

AM:CCJ
